The guide for living local: Winnipeg Women and Winnipeg Men Magazines are your essential guides to everything Winnipeg–where to live, where to shop, where to dine, what is new, and who is making a difference in our city. Winnipeg Women and Winnipeg Men Magazines stimulate interest in fashion, travel, family, home buying and remodeling, dining at home and at local restaurants through engaging editorial and interesting photography focused on the people and places that make Winnipeg great.

For over 10 years, we have delivered ideas and information that readers trust, enhance their lives and introduce them to amazing people. Winnipeg Women and Winnipeg Men Magazines are an effective and affordable media partner for companies and marketers seeking results-driven programs that stimulate sales. If you need to let people know who and where you are-you need to advertise in “the guide for living local.”
